Please summarize your about volunteer experience (please attach extra sheet if necessary) with IFRE.

My first chose was to work in the orphanage but it was full. So working on the coffee farm was my next chose. This time of year there is really nothing to do with coffee except watch it grow. So this has been mostly vocation. One of my fellow volunteers is teaching English to grade school children and I was able to help. Which I love.

I have loved everything about this trip. My host family lives way-up the mountain so I have the best of both worlds - I commute with nature and get to work with kids. THANKS
