*I have done many things in my life. I am 73 years old. I have flown airplanes (pilots license), ~~and~~ won 11 titles, skydived, been in 52 different countries and more, but this program teaching the school children English was number ONE! The staff here with IFRE were great and everything else was super. I would highly recommend this program to anyone. I also plan to volunteer again next year. Again, everything was great and for me, it was an experience that I will never forget.*
